

SANSKRUTI TAYADE

BCA 2023

PROFILE

I am a full stack developer. I love building new and interesting websites as well as I've learned technical languages too. I'm a very courageous person with a lot of confidence. In my free time I prefer reading books or building games and websites.

VOLUNTEER EXPERIENCE

TECHNOSTAV 2022.

I served as an anchor for a college event Technostav 2022 which was organized by our institute. My work was to handle any difficult situations that may arise during the event.
